

Steps in a journey

Do you determine your pledge on a weekly, monthly or annual basis?

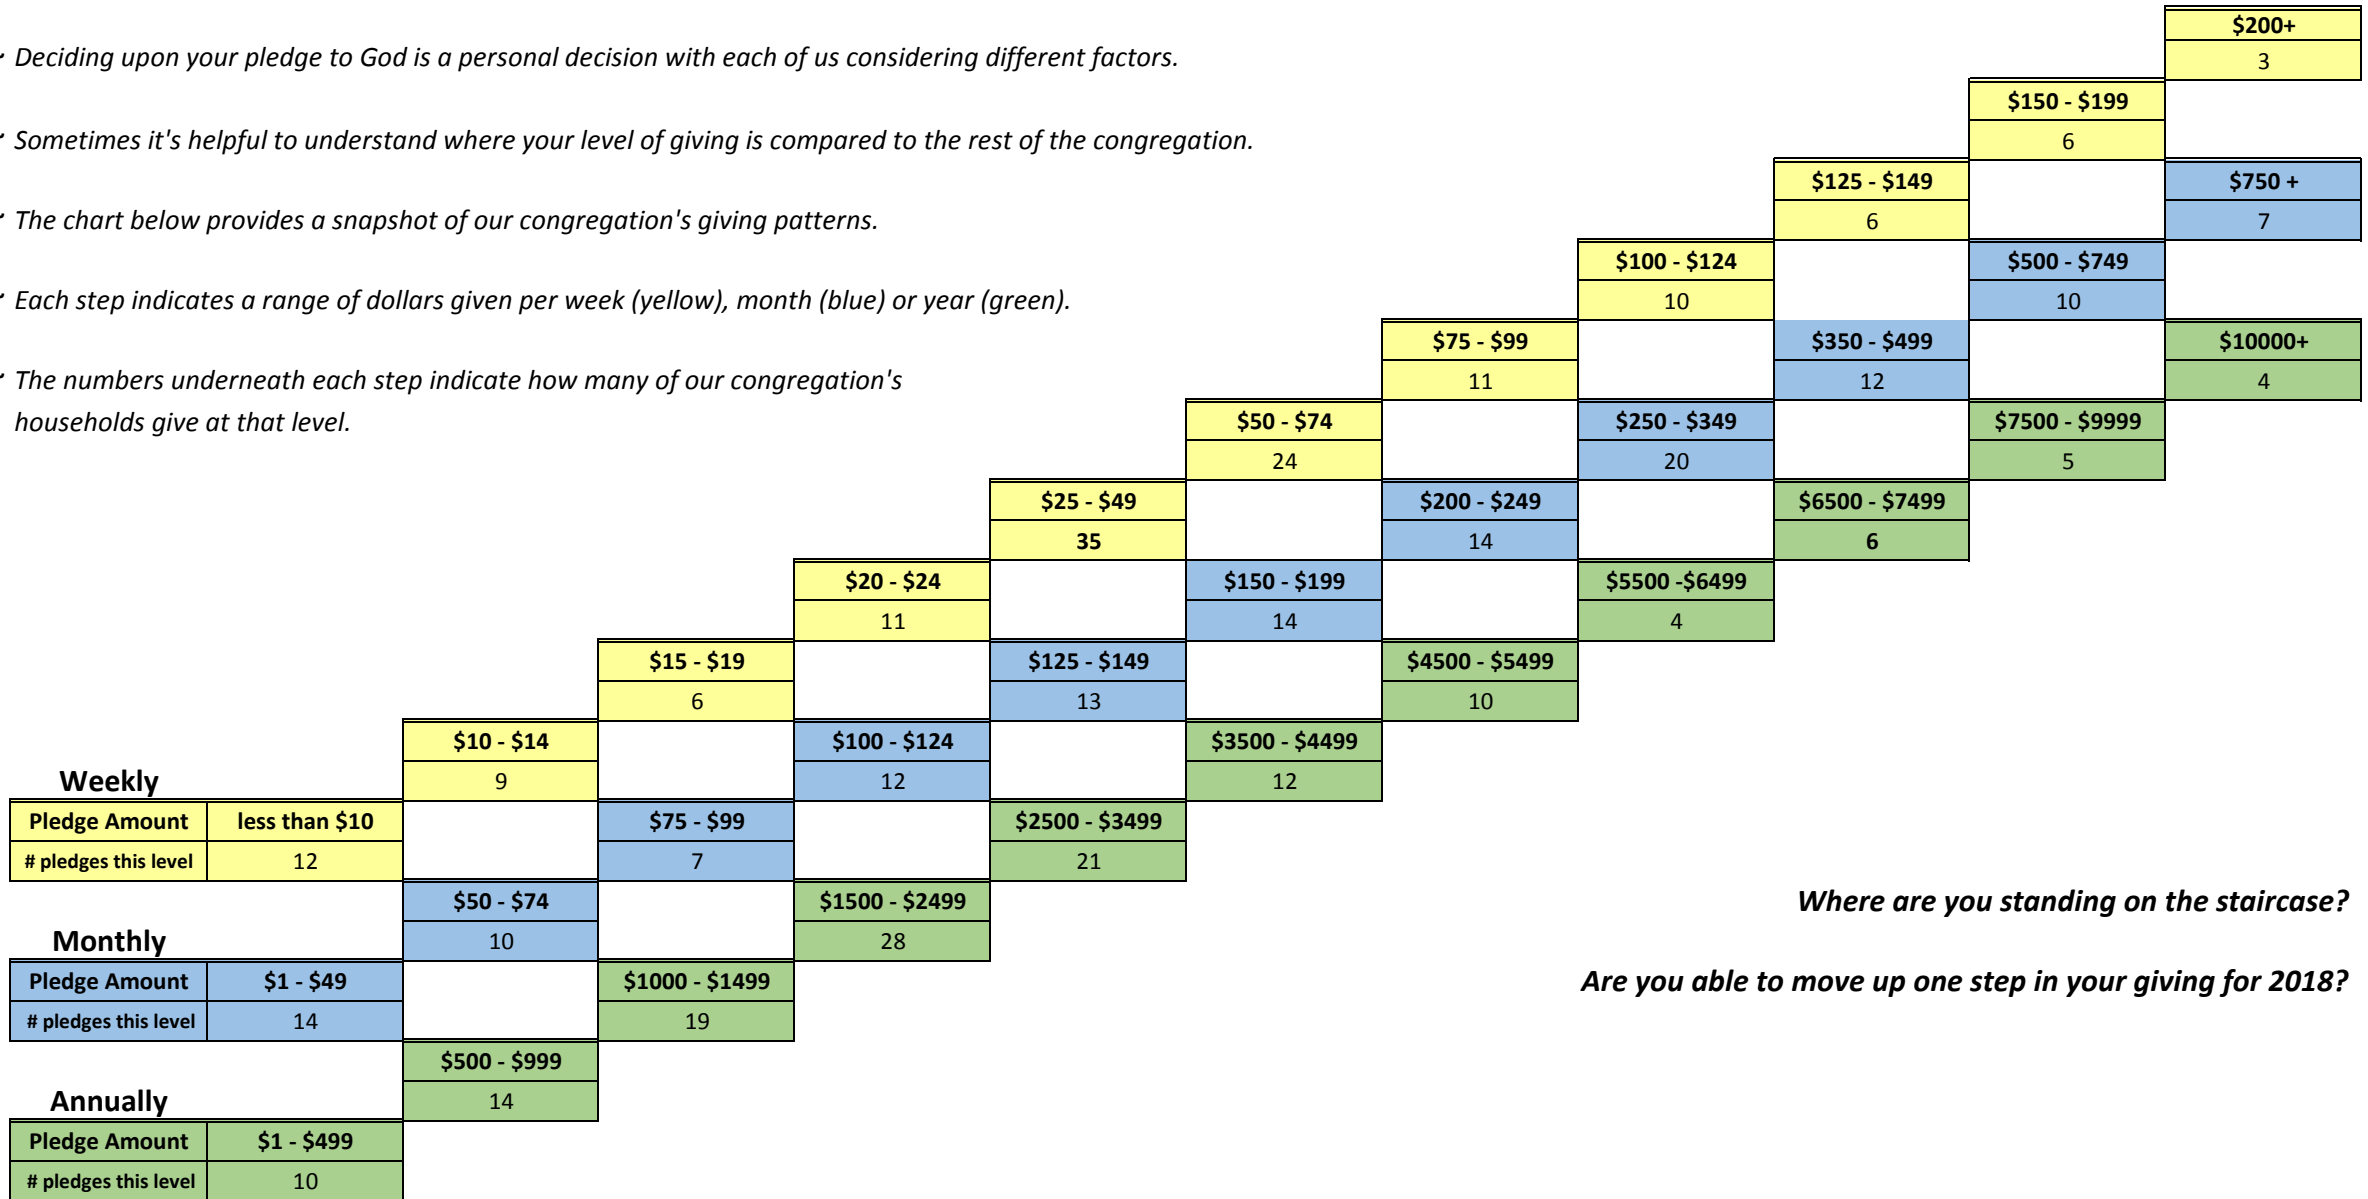

~ Deciding upon your pledge to God is a personal decision with each of us considering different factors.

~ Sometimes it's helpful to understand where your level of giving is compared to the rest of the congregation.

~ The chart below provides a snapshot of our congregation's giving patterns.

~ Each step indicates a range of dollars given per week (yellow), month (blue) or year (green).

~ The numbers underneath each step indicate how many of our congregation's households give at that level.
